Join the Real Estate Revolution – E-mail us today.

Crown Real Estate is revolutionizing the way people buy and sell Real Estate in the Denver Metro area and surrounding communities. If you are tired of seeing real estate done the old-fashioned, traditional way and sick of enriching the corporate **PIGS** by paying steep monthly fees, franchise fees and high commission splits; then you are ready for an opportunity to give yourself a huge selling advantage. We can show you how.

Crown Real Estate is now seeking full and part-time licensed Real Estate Agents in the Denver Metro area and surrounding communities. (If you are in the process of receiving your license; i.e. taking classes, that's okay, too.) **E-mail us to set up a personal interview.**

Crown Real Estate is a smarter kind of Real Estate Company. All of our Buyers receive a **1% Cash Back Rebate** on the purchase of their home and our sellers list for a reduced commission of **only 4%** while still receiving full service. Because we put more money in our client's pockets, our agents have a built-in marketing advantage so they close more transactions. Thanks to the rebates and lower commissions, clients are fiercely loyal to their Crown agents.

If you can embrace our company motto: “You can have anything you want in life, as long as you help other people get what they want.”

Then, we want you to join our Kingdom!

Furthermore, Crown Agents are advocates of consumer and public safety. If you feel that you have to join a Real Estate Board to be ethical or adhere to an ethical code, then you are not a fit for us. We don't care to join or be part of a Real Estate Board.
